MEMORANDUM FOR: CPP

SUBJECT : PSB Staff Meeting, Wednesday, 18 March 1953

1. Agenda for tomorrow's luncheon meeting is attached. It is presently proposed that an agenda will be prepared for each weekly meeting, but the entire subject, including the possible abolition of formal meetings, is up for discussion as Item 4 of tomorrow's meeting.

2. [] brought up the question of when the PSB may expect the supporting plans for the Japan, Middle East, and German Plans. This brings up the question of the existence of any present channel to secure PSB approval. It is my understanding that supporting plans were formerly approved by the 10/3 Committee, but it is my understanding that this committee has been disbanded.
